## Indoor Air Comfort Gold

IAC Gold

*Certified Product*

Saint-Gobain Sweden AB, Scanspac

*Applicant*

The above product complies with the Indoor Air Comfort Gold specifications, version 8.0 (2022). These include both inspection of factory production and VOC emissions testing according to EN 16516, at regular intervals. Indoor Air Comfort Gold combines all key European and selected global requirements on VOC product emissions. Additional requirements not related to VOC product emissions, for example content of certain substances or odour are not combined or evaluated. The following VOC emission requirements are combined and the certified product shows compliance with these VOC emission related limit values:

- |                          |                            |   |   |
|--------------------------|----------------------------|---|---|
| - France VOC class A+    | - LEED (ACP)               | - EMICODE EC1 Plus                                  | - Eco Product Norway                                    |
| - Germany (AgBB/ABG)     | - BREEAM New Construction  | - Blue Angel DE-UZ 198                              | - Cradle to Cradle                                      |
| - Italian CAM Edilizia   | - WELL Building            | - Danish Indoor Climate Label<br>(Emission Class 1) | - very low emitting products<br>according to EN 16798-1 |
| - EU Taxonomy Regulation | - SKA Rating               | - BVB (Sweden)                                      | - Singapore Green Label                                 |
|                          | - French HQE certification | - Miljöbyggnad (Sweden)                             | - Declare 2.0   |

Issue date: 15 May 2023

Product type: Wall plaster

Validity date: 18 November 2027

Certificate number: IACG-447-01-01-2022D

This certificate is valid as specified if regular surveillance and testing is done.
